Re: Health Republic Insurance of New York, Corp. in Liquidation
Index No. 450500/2016

Dear Justice Edmead:

I am writing to provide Your Honor with an update on the Health Republic estate since my April 18, 2022 status letter.

With respect to all 132 non-class two claims received, the Liquidator completed the Notice of Determination issuance process, and all objection periods have lapsed. The Liquidator received only one objection, which has been referred to the court-appointed referee, Anthony Carpinello, who will hear and report on the validity of the objection. Briefing on this objection started on April 29, 2022, and oral arguments were completed on July 28, 2022. We await the referee's report, which will be presented to Your Honor. This claim remains the sole claim outstanding.

For next steps, I will e-file this update today on the docket and have it posted on the Health Republic and NYLB websites. I respectfully request to provide my next update in October 2022 during the annual Health Republic status conference, which has yet to be scheduled.

I am happy to answer any questions Your Honor may have regarding this letter.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Stephanie Blattmachr".
