Re: Health Republic Insurance of New York, Corp. in Liquidation
Index No. 450500/2016

Dear Justice Edmead:

This matter has been calendared for a status report today. Since our conference report on November 29, 2018, the Liquidator has submitted an ex parte application recommending claim allowances in the estate. As to other matters, we have had no response from the federal government concerning our request for a partial waiver of federal claims, and the CMS litigation remains stayed, pending efforts in the *Moda* and *Land of Lincoln* cases to appeal the Federal Circuit's "risk corridor" decision to the United States Supreme Court. We are continuing our discussions with attorneys for former officers of the company with a view toward resolving the estate's claims. The Liquidator is always prepared to answer any questions the Court may have and will request a conference date in late September for a fuller report to the Court.

Respectfully submitted,
